Recital Competition
Encouraging Excellence, Acknowledging Achievement

Saturday 6th April 2019

Dear Wellington Branch IRMT Member

We invite you to enter your students for the annual Recital Competition, to be held on Saturday 6th April at St Andrews on the Terrace. Our adjudicator this year will be Diedre Irons.

The recital should be a balanced programme of no more than 30 minutes in length. It may include an accompaniment, and we hope that students who would like to take up this option will do so, as we would be delighted to have some collaborative piano in this event! Note that it is compulsory for a NZ work to be included in a student's programme.

The entry fee for the competition is \$50 and audience admission to the event will be free. The prizes will be \$750 for first & \$500 for second, courtesy of the Ariadne Danilow Bequest. All performers will receive a written report.

Please submit your entries electronically using a Google form (link below). It is essential, of course, that all payments for entry fees are easily identifiable by our Treasurer.

We hope you enjoy preparing your students for this event, and look forward to receiving your entry forms by Friday 8th March. As soon as possible after this date, a schedule for the day will be emailed to all participating teachers. The recitals will probably begin at 1pm, depending on the number of entries.

Warm regards
